WHAT IS CVXR CAREERCAMP?

CareerViewXR (CVXR) is a unique platform that leverages the power of immersive media and virtual reality (VR) to bring real-world career experiences directly to students in the classroom. CVXR CareerCamp combines the power of CareerViewXR field trips, a professional development course for educators, and more – gearing educators up to host their very own CareerViewXR programming during the summer and throughout the school year!

WHY STUDENTS LIKE IT

INSIDE SCOOP

Immersive content provides an opportunity to get up close and personal with careers in places they wouldn't typically be able to visit.

EXCITING TECHNOLOGY

Content is viewable on desktops, laptops, tablets, smartphones, virtual reality headsets, and more!

WHY TEACHERS & PARENTS LIKE IT

CAREER LITERACY

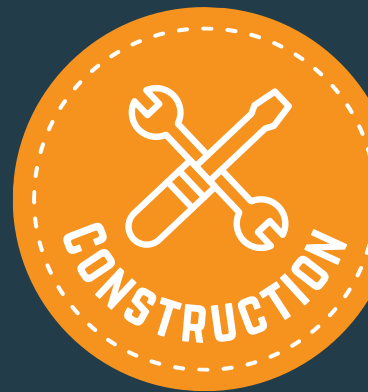

Increased career awareness to help students make more informed education and career decisions.

AUTHENTIC REAL-WORLD CONTENT

Learners gain real-world career insights without time, safety, privacy, geographical, or financial constraints.

EXPANDED FUTURE OPPORTUNITIES

Inspires exploration and encourages engagement with unexpected career paths.
