

# Lesson Plan: When I Grow Up – Learning About Jobs with CareerViewXR

**Grade Level:** K-2

**Duration:** 20-30 minutes

**Subject Area:** Career Awareness/Social Studies/Life Skills

**Technology Required:** Tablet, computer, or VR headset with CareerViewXR access

## **Lesson Objectives:**

By the end of this lesson, students will:

- Be introduced to different types of jobs and community helpers.
- Identify one job that looks interesting to them.
- Share something they learned about a job.

## **Materials Needed:**

- Link to CareerViewXR web-based experiences
- Computer or device for each student (or one for the front of the room-to explore as a class)
- Internet connection
- "My Favorite Job" coloring worksheet (included with lesson plan)
- Crayons, markers, or colored pencils
- Projector or SmartBoard (optional)

## **Lesson Outline**

### **1. Introduction: Who Helps in Our Community? (5 min)**

- Ask students: "Who helps us in our town?", "What jobs do people do?"
- Give examples (teacher, doctor, firefighter, mail carrier, chef).
- Explain: "Today, we will go on an adventure to see real people doing their jobs!"

### **2. CareerViewXR Exploration (10 minutes)**

- Show students how CareerViewXR works (demo on SmartBoard or device).
- Watch 1 short career video together OR have students watch one with headphones. (Choose engaging and visual careers like: Veterinarian, Paleontologist, Teacher, Contract Harvesting.)

### **3. Group Discussion (5 minutes)**

- Ask students:
  - "What job did you see?"
  - "What does that person do?"
  - "Would you like to do that job when you grow up?"
- Encourage every student to share.

### **4. Activity: My Favorite Job Coloring Page (10 minutes)**

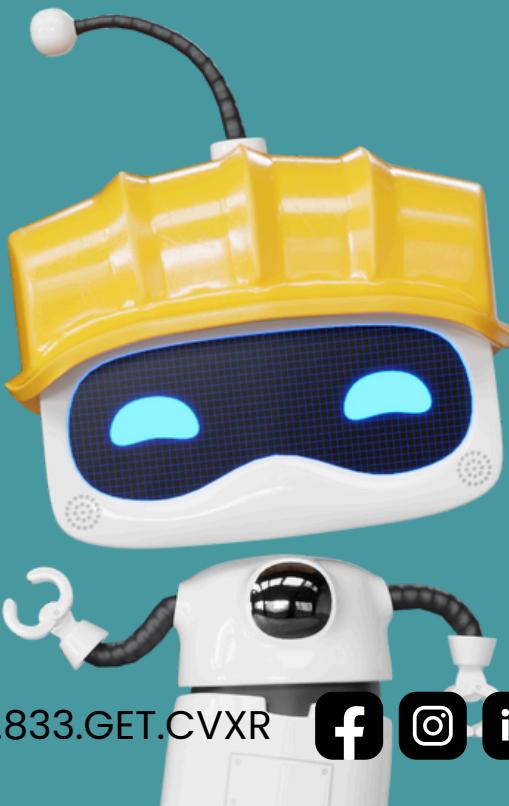

- Students draw or color a picture of themselves doing the job they saw and liked.
- Write (or help them write) the job name and one thing they learned.

### **Assessment:**

- Participation in discussion
- Completed coloring worksheet

**Thanks for trying our lesson plan!**
